COORDINATION CRITERIA

Common learning outcomes

The methodological strategies and the evaluation system contemplated in this Course Description will be adapted according to the needs presented by students with disabilities and special educational needs in the cases that are required.

CONTINGENCY PLAN: CASE SCENARIO A

Case scenario A will correspond to a diminished on-site academic activity due to social distancing measures affecting the permitted capacity of classrooms.

COURSE DESCRIPTION

METHODOLOGY

General clarifications on the methodology on case scenario A

A multimodal (hybrid) teaching system will be adopted, combining both on-site and remote classes via videoconference (synchronous) that will be held in the timetable approved by the corresponding Faculty or School. The time distribution of teaching activities (both on-site and remote) will be decided by the aforementioned Faculties and Schools bearing in mind the permitted capacity of classrooms and social distancing measures as established at that time.

The A development scenario for the academic activity in the Sagrado Corazón Teacher Training Center is of maximum face-to-face academic activity. Onsite classes and training activities conducted in the classroom will be implemented according to the schedule approved by the Center and they will ensure the capacity limits on teaching spaces and the sanitary measures of interpersonal distancing in force at any time, and in view also of the teaching adaptation criteria for the 2021-2022 academic year, established by the University of Córdoba, according to the Agreement of the Governing Body, in extraordinary session of 16 April 2021, extending, for the 2021/2022 academic year, the criteria for adapting teaching as a result of the health restrictions of COVID-19, and in accordance with the Royal Decree-Law 21/2020, of 9 June, on urgent measures for prevention, mitigation and coordination to deal with the health crisis caused by COVID-19, and in accordance with the Order of 19 June 2020 of the Ministry of Health and Families of the Regional Government of Andalusia, under which preventive public health measures are adopted.

The students of second or subsequent enrollment will carry out the same face-to-face activities and of-site activities as their peers. In a personal interview or through videoconferences in Blackboard Collaborate or Cisco Webex specific details about the submission of the assignments will be agreed on.

The students with disabilities and special educational needs will carry out the same face-to-face activities and of-site activities as their peers. Nonetheless, the methodology will be adapted according to their capacities.

CONTINGENCY PLAN: CASE SCENARIO B

Case scenario B will bring about a suspension of all on-site academic activities as a consequence of health measures.

METHODOLOGY

General clarifications on the methodology on case scenario B

On-site teaching activities will be held via videoconference (synchronous) in the timetable approved by the corresponding Faculty or School. Alternative activities will be proposed for reduced groups in order to guarantee the acquisition of course competences.

The face-to-face teaching activity will be carried out through videoconferences (synchronous sessions) via Blackboard Collaborate or Cisco Webex according to the timetable approved by the center.

In fact, all the face-to-face activities of the teaching guide will be maintained in the distance-teaching mode except the group presentations and the group works which will be replaced by the individual presentations and the individual work, which will be held through synchronous videoconferences and the "task" resource that will be used to submit assignments.

Tutorial support will be provided via the Blackboard Collaborate and Cisco Webex apps.

The students of second or subsequent enrollment will carry out the same face-to-face activities and of-site activities as their peers. In a personal interview or through videoconferences in Blackboard Collaborate or Cisco Webex specific details about the submission of the assignments will be agreed on.

The students with disabilities and special educational needs will carry out the same face-to-face activities and of-site activities as their peers. Nonetheless, the methodology will be adapted according to their capacities.
