Text Analysis and Debates	Forum	30%
Presentations	Sent by email	30

General clarifications on instruments for evaluation:

A grade of "NO PRESENTADO" will be given to students who have not taken part in a number of assessable activities adding up to more than 50% of the final grade (Art. 80.4 of the Regulations for the Undergraduate Studies Academic System).

Those students who have participated in assessment activities, other than the final exam, whose accumulated weight towards the final grade exceeds 50%, but have not attended the final exam in the course will be graded with "NO PRESENTADO" in the provisional publication of the grades.

If during the review process a student does not express her/ his disagreement with this grade, the grade will then be confirmed as the final grade for this subject. Otherwise, the student must notify the instructor, and her/ his final grade will be based on the weighted sum of all scores achieved in all assessment mechanisms completed, according to the criteria established in this addendum.
