Information for travelers arriving from affected areas

Regarding the new coronavirus disease (COVID-19), if you are travelling from affected areas,

**UPON ARRIVAL IN SPAIN**

please keep the following recommendations in mind:

- If you don’t have any symptoms you can go about your daily life (family, work, leisure and/or scholar).

- Monitor your health for the following 14 days after arriving from affected areas.

- If during that period of time you develop symptoms of acute respiratory infection; such as
  
  🦠 fever,
  
  🤧 cough or
  
  🤧 shortness of breath,

  stay at home/accommodation and

  **Dial 112**

  and inform of your recent trip and symptoms.
