ENGLISH 2016-17**

UNIVERSIDAD DE CORDOBA

Internationalization is one of the distinctive features of the University of Cordoba (UCO) with a specific Plan for the Enhancement of Plurilingualism. In this context, it offers two English itineraries supported by Faculty of Veterinary: Food Science and Technology and Veterinary degree. Next 2016-17 academic year, 15 subjects will be offered. Students who succeed in any of these courses will be awarded a Certificate issued by the University of Cordoba (Spain), and it will be attached to the European Diploma

Supplement.

La internacionalidad es uno de los rasgos distintivos de la Universidad de Córdoba (UCO) por su específico Plan de Fomento del Plurilingüismo. En este contexto, ofrece dos itinerarios en inglés respaldados por la Facultad de Veterinaria: para las titulaciones de Grado en Ciencia y tecnología de los Alimentos y Grado en Veterinaria. El próximo año académico 2016-17, se ofertan 15 asignaturas. A los estudiantes que superen cualquiera de estos cursos se les otorgará un Certificado expedido por la Universidad de Córdoba (España) junto con un Diploma de Europeo

**To whom?** Spanish or International students who certify a B1 level of English, or through previous interview.

**How?** For further information about registration for subjects, ask about the English itinerary at the Secretary desk or visit our website.

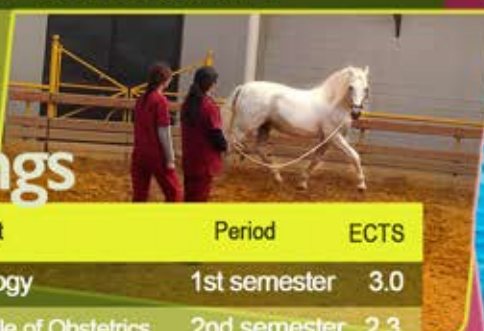

**¿Para quién?** Alumnos españoles o extranjeros con nivel B1 acreditado o entrevista previa.

**¿Cómo?** Al hacer la matrícula, pregunta en Secretaría por el itinerario en inglés o visita nuestra página web.
