

Para compartir tus resultados con la Universidad de Córdoba, debes ir a la página <https://candidates.cambridgeenglish.org/>

The screenshot shows the 'Candidate Website' header with the Cambridge Assessment English logo. Below is a 'Welcome to the Results Service for Candidates' section. The main content is divided into two sections: '1 - Register' and '2 - Login'. The '1 - Register' section explains that users need to register and provides a 'Register' button. The '2 - Login' section explains that users can log in with their ID Number and password, and includes input fields for 'ID Number' and 'Password', a 'Log in' button, and links for 'What is this?', 'Forgotten your password?', and 'Log in'.

Para acceder a tu área personal debes introducir tu “ID Number” y tu “password”.

En caso de no disponer de estos datos, puedes ponerte en contacto con Cambridge en infospain@cambridgeenglish.org o 91 559 5010.

Debes usar la opción “Send my result”

The screenshot shows the 'Your Result' page. On the left, there is a 'Welcome' section with a 'Statement of Results' button. On the right, there is a 'Your Result' section with a 'Send my result' button. A red arrow points from the 'Statement of Results' button to the 'Send my result' button.

Debes seleccionar del desplegable a la Universidad de Córdoba y pulsar “Send my Result”.

The screenshot shows the 'Send result' page. At the top, there is a 'Send result' button and a 'Shared with' section. Below, there is a large box displaying the score '173'. Underneath, there is a form with a label 'Institution/organisation name*'. A search bar contains 'Universidad de |' and a dropdown menu lists several universities: 'Universidad de los Hemisferios', 'Universidad de Flores- UFLO', 'Universidad de Huelva', and 'Universidad de Cordoba'.

Podrás comprobar que se ha completado el proceso en la pestaña “Shared with”.

Sent results history

Below you can see a list of all organisations you have previously shared your results with, and you can see if they have viewed your result or not yet. Please note that some organisations will be using our API functionality to have the results sent directly to their own computer systems. If they are using this, the status will show as Unread even if they have seen it. We recommend that you check with your chosen organisation directly in case of any concerns about the status of your application with them.
